

## **Crappie USA Guidelines during COVID-19 Pandemic**

- Social Distancing must be observed at all times during registration and drive thru weigh – in functions. Staff will be required to wear facemask and gloves and suggest that participants wear mask as well, everyone will remain 6 feet apart at all times.
- At boat ramps, practice proper social distancing and avoid mass gatherings or crowded areas while on the ramps. Please take extra time to space out while waiting to load boats into the water. Stay off the ramp if others are loading or unloading to avoid crowding. Wait until the courtesy dock is clear of others. Avoid touching areas such as hand rails on the courtesy dock unless absolutely necessary
- Registration by phone, mail or online is recommended. Any late registration will be 5:00PM – 7PM at the printed seminar site but seminar will not be held. One team at a time may enter registration area and pick up their voucher, copy of COVID-19 guidelines and copy of rules and regs for the event.
- Weigh in line will be clearly marked for 6 foot distancing. A drive in style weigh in will be utilized. A live streamed weigh in will be done for teams to be able to keep up with standings provided necessary internet is available.
- One angler on the team will exit the vehicle and present fish to check station, then bring fish to the scales. After weighing the angler will return to vehicle and team will pull away to park.
- At no time will over 10 people be in one location.
- Awards (checks and plaques) will be placed on a table, the team may come to the table and collect their awards when called on PA.
- If there are any federal, state or local mandates in place not covered by these guidelines we will make the necessary changes to conform 100%.
